Dear Sir or Madam:

On behalf of the Whitaker Reunion we would like to thank you for the wonderful performance of **Pretty Polly**.

We have had several letters from our kin commenting on what an excellent show it was. The kids and the Texas folks especially enjoyed the Texas jokes.

Hopefully we can engage you to do another performance for a future reunion.

Again, thank you for the excellent performance. We hope to catch one of your other shows when you are in Whitesburg again.

Sincerely,

James D. Collins
